ATENÇÃO:

As cores do nosso catálogo estão disponíveis em Solläqua Plus Acrilica e são reproduzíveis no nosso sistema Sollacmix. Algumas destas não estão disponíveis em todos os nossos produtos da Linha Fachadas.

As cores afinadas no sistema de cor Sollacmix estão organizadas em grupos cujo PVP varia em função da quantidade de corantes usados na sua composição.

Em virtude de limitações técnicas de impressão do catálogo, as cores podem apresentar diferenças face às originais.

A cor pode variar conforme o tipo de superfície, a luz e o número de demãos aplicadas. A mesma cor pode variar ligeiramente entre os diferentes produtos devido à sua textura e ao tipo de acabamento. Recomenda-se por isso, a realização de um teste de cor na superfície a pintar antes da sua aplicação final.

ATTENTION:

Our catalog colors are available in Solläqua Plus Acrilica and are produced in our Sollacmix System. Some colors are not available on all our Facade Line Products.

The colors tuned in the Sollacmix color system are organized into groups whose PVP varies depending on the amount of dyes used in their composition.

Due to technical limitations of catalog printing, colors may differ from originals.

The color may vary depending on the type of surface, the light and the number of coats applied.

The same color may vary slightly between different products due to its texture and the type of finish.

It is therefore recommended to perform a color test on the surface to be painted prior to its final application.

ATTENTION:

Les couleurs de notre catalogue sont disponibles en Solläqua Plus Acrilica et sont produites dans notre système Sollacmix. Certaines d'entre elles ne sont pas disponibles dans toute la gamme de nos produits.

Les couleurs teintées dans Sollacmix système sont organisées par groupes dont la PVP varie en fonction de la quantité des colorants utilisés dans sa composition.

En raison de limitations techniques d'impression des catalogues, les couleurs peuvent être différentes par rapport à l'original.

La couleur peut varier en fonction du type de surface, de la lumière et du nombre de couches appliquées.

La même couleur peut varier légèrement entre les différents produits en raison de sa texture et du type de finition.

Il est donc recommandé de tester la surface à peindre avant d'appliquer la peinture choisie.

تنبيه:

تتوفر الألوان الموجودة في الكتالوج في Solläqua Plus Acrilica وتُنْتَج بنظام Sollacmix الخاص بنا. لا تتوفر بعض الألوان في كل منتجات طلاء الواجهات Facade Line Products.

الألوان التي تم تنسيقها في نظام ألوان Sollacmix مرتبة في مجموعات يختلف مستوى PVP الخاص بها بناءً على كمية الصبغات المستخدمة في تركيبها.

قد تختلف الألوان في الدليل عن الألوان الأصلية بسبب القيود التقنية لطباعة الدليل.

قد يختلف اللون حسب نوع السطح، والضوء وعدد طبقات الطلاء المستخدمة.

قد يختلف اللون الواحد قليلاً بين منتجات مختلفة بسبب ملمسه ونوع التشطيب.

لهذا نوصي بإجراء اختبار ألوان على السطح الذي سيتم طلاؤه قبل وضع الطلاء بصورة نهائية.
