

NCS INDEX 1950 Original

The new fan-deck with the complete range of the 1 950 standard NCS-colours, including the 200 new colours introduced in 2004. The colours in NCS INDEX 1950 Original are divided into 5 different groups; grey, yellow (G80Y-Y70R), red (Y80R-R70B), blue (R80B-B70G), and green (B80G-G70Y). Markings in the NCS colour triangle and NCS colour circle on each leaf shows the exact position of each colour. Each index comes with a set of textpages explaining how the NCS-system and the NCS INDEX works.
